The parties are currently set for a status hearing regarding the U.S. Probation Form 12 currently pending against the defendant on March 1, 2016 at 2:00PM before this honorable court. The first Charge of the Form 12 involves the defendant having been in a car with a man named Richard Turner in which four firearms were found, along with a variety of phones and electronic devices among other items. Mr. Turner has been charged by the United States Attorney's Office with being a felon in possession of a firearm in a separate case, number CR 16-34 MMC. The prosecutor assigned to that case has obtained the phones and electronic devices and intends to obtain a search warrant for them within approximately one to two weeks. The parties in this matter agree that those searches are likely to reveal evidence relevant to this proceeding and that would likely be introduced at an evidentiary hearing in this matter as either inculpatory or exculpatory, depending on what is on the devices. Because the

defendant resides in far Northern California, the parties seek to stipulate a continuance by this filing so as to avoid a long trip by the defendant. Accordingly, with the approval of the Court, and for good cause shown, the parties stipulate and agree to continue the status hearing currently scheduled for March 1, 2016 at 2:00PM to March 22, 2016 at 2:00PM. No Speedy Trial Act exclusion is necessary because this is a post-conviction proceeding.
